

## **NATIONAL BOBSLEIGH PROGRAM / NATIONAL SKELETON PROGRAM SPORT CANADA ATHLETE ASSISTANCE PROGRAM (AAP) CRITERION 2017/18 BCS CARDING CYCLE**

### **1. CARDING PRE-REQUISITE & ELIGIBILITY REQUIREMENTS**

The Bobsleigh CANADA Skeleton (BCS) – National Bobsleigh Program (NBP) is eligible for a maximum number of 23 Senior (equivalent to \$414,000) Sport Canada AAP Cards and the National Skeleton Program (NSP) is eligible for a maximum number of 10 Senior (equivalent to \$180,000) Sport Canada AAP Cards. In all cases, for athletes to be considered for nomination they must:

- Be a member in good standing of BCS current National Team Programs;
- Have signed and returned, a 2017-18 BCS Athlete Agreement;
- Unless a written exemption is granted by BCS, participated in and/or competed at 2016/17 all:
  - National Championships;
  - World Cup, World Championships/Olympic Winter Games and/or other competitions if selected by BCS; and
  - National Team Camps and mandatory events; and
- Be eligible, and continue to be eligible by virtue of the IBSF eligibility rules, to compete for Canada at the World Championships and/or Olympic Winter Games.

After every Olympic Games, Sport Canada reviews carding allocations for all sports. As a result the number of cards allocated to BCS is subject to change for the 2017-18 carding cycle. If the allocation differs from that mentioned in this document, the High Performance Director will inform the athletes as soon as possible.

BCS High Performance Director is responsible to nominate eligible athletes for the AAP support. Sport Canada reviews all nominations put forward by BCS and approve nominations in accordance with the AAP policies and the published BCS approved, AAP compliant carding criteria.

For the purpose of determining eligibility throughout this document, the following participation levels at World Championships will be considered:

- **DISQUALIFIED (DSQ)** – A designation of “Disqualified” at World Championships / Olympic Winter Games, provided the infraction was not Anti-Doping related, will be considered as having participated in the competition, however not attaining the SR1 Qualifying Result (see below);
- **DID NOT FINISH (DNF)** – A designation of “Did Not Finish” at World Championships / Olympic Winter Games, implying that the team had begun the competition, however did not qualify a final time due to a crash or another incident, will be considered as having participated in the competition, however not attaining the SR1 Qualifying Result;
- **DID NOT START (DNS)** – A designation of “Did Not Start” at World Championships / Olympic Winter Games, implying that the team had been entered and had fully intended on participating, however was removed from competition for health or equipment related

reasons, provided the removal was not infraction based will be considered as having participated in the competition, however not attaining the SR1 Qualifying Result.

## **2. CARDING ELIGIBILITY & NOMINATION CRITERION**

### **2.1. SR1 Carding Criteria**

Athletes who competed in the 2017 World Championships and achieved a Top 8 result and finished in the top half of the field (the "SR1 Qualifying Result") are eligible for nomination at the SR1 level.

### **2.2. SR2 Carding Criteria**

SR1 carded athletes who did not achieve the SR1 Qualifying Result but who competed in all 2016-17 IBSF competitions to which they were selected by BCS (World Championships / WC / ICC / NAC and/or EC) are eligible for nomination at the SR2 level.

### **2.3. SR Carding Criteria**

2.3.1. SR2 / SR / C1 / D carded and Un-carded athletes who competed in the 2017 World Championships, but did not achieve the SR1 Qualifying Result, will be considered for nomination at the SR level.

2.3.2. SR2 / SR carded athletes who did not compete in the 2017 World Championships, but did compete in all 2016-17 IBSF competitions to which they were selected by BCS (WC / ICC / NAC and/or EC) will be considered for nomination at the SR level.

### **2.4. D Carding Criteria**

### **2.5. Spares (Alternates) Criteria - NBP**

NBP Athletes who were named to the 2017 World Championships Team, however did not compete by virtue of being of being named as a spare, will not be automatically deemed as having attained the result of their respective team. These athletes will be deemed to have competed for the purposes of section 2.3.1.

### **2.6. Returning Athletes Criterion**

Accomplished NBP and NSP athletes who have taken (self-imposed) time away from their respective Program, either for personal or performance related reasons (retirement, injury etc.), may have their previously approved carding status recognized upon their return based on the following criteria:

2.6.1. Returning athletes previously carded at a SR1 / SR2 / SR carding level, that did not compete in the 2016-17 competition season, that have shown the appropriate level of commitment and performance may be considered for re-nomination at the SR level;

This is provided that the athlete meets all the necessary pre-requisite and eligibility requirements outlined in Sections 1 & 2 for the 2017-18 season.

## **2.7. Failure to meet carding criteria for health related reasons**

At the end of a carding cycle during which an athlete, carded the previous year at any levels, has, for strictly health-related reasons, did not achieve the standards required for renewal of carded status, he or she may be considered for re-carding for the upcoming carding period under the following conditions:

- 2.7.1. The athlete has fulfilled all reasonable training and rehabilitation requirements aimed at a timely return to full high-performance training and competition during the period of his or her injury, illness or pregnancy and, despite making every reasonable effort to attain the applicable carding standards during the year in which the injury, illness or pregnancy occurred, has failed to do so, in the view of the NSO, for reasons strictly related to the injury, illness or pregnancy.
- 2.7.2. The NSO, based on its technical judgment and that of an NSO team physician or equivalent, indicates in writing the expectation that the athlete will achieve at least the minimum standards required for carding during the upcoming carding period.
- 2.7.3. The athlete has demonstrated and continues to demonstrate his or her long-term commitment to high-performance training and competition goals, as well as his or her intention to pursue full high-performance training and competition throughout the carding period for which he or she wishes to be renewed despite not having met the carding criteria.

## **2.8. Eligibility Length**

- 2.8.1. Maximum number of years at SR / C1: An athlete may be carded at the SR / C1 level for a maximum of 5 years. In order to be carded for additional years at the SR / C1 level the athlete's past performance and future potential will be assessed to ascertain if the athlete is still progressing and if the athlete has the potential to reach the SR1 level.
- 2.8.2. Maximum number of years at the D level: An athlete may be carded at the D level for a maximum of 5 years. In order to be carded for additional years at the D level the athlete's past performance and future potential will be assessed to ascertain if the athlete is still progressing and if the athlete has the potential to reach the SR1 / SR / C1 level.
- 2.8.3. An athlete previously carded at the Senior Card levels SR1 / SR2 / SR / SR-inj C1 for more than 2 years is no longer eligible for a Development card.
- 2.8.4. Years when an athlete was carded at the SR / C1 level and still eligible to compete at the Junior World Championship, will not count toward the maximum number of years for SR / C1 cards.

## **2.9. Athlete Ranking**

- 2.9.1. All Athletes being considered for nomination to the SR1 / SR2 / SR level will be ranked with respect to their past seasons performance and ranked accordingly within the SENIOR SR1 / SR2 / SR CARDS' RELATIVE RANKING SYSTEM (section 7.1).
- 2.9.2. All Athletes being considered for nomination to the D level will be ranked with respect to their past seasons performance, evaluated with respect to their Technical Ability, Physical Testing, Attitude, Work Ethic and Team Dynamic and ranked accordingly within the DEVELOPMENT (D) CARDS' RELATIVE RANKING SYSTEM (section 7.2).

## **3. CARDING ALLOCATION**

Sport Canada AAP Carding for NBP and NSP athletes will be allocated in the following manner:

### **3.1. Pre-Season Allocation: July 1<sup>st</sup> – October 31<sup>st</sup>**

Upon completion of the 2016-17 AAP carding cycle (June 30<sup>th</sup>, 2017), those athletes carded at the SR1 / SR2 level, who have committed themselves for return to the NBP or NSP for the 2017-18 season, will be nominated for the Pre-Season Allocation carding cycle (4 months) for the AAP.

### **3.2. In-Season Allocation: November 1<sup>st</sup> – June 30<sup>th</sup>**

Upon completion of the 2017-18 Selection Process, those athletes:

#### **SR1 / SR2 Carding Allocation**

- 3.2.1. carded at the SR1 / SR2 level having been renamed to the NBP or NSP will be nominated for the In-Season Allocation (8 months) carding cycle for the AAP;

#### **SR Carding Allocation**

- 3.2.2. carded at the SR level and having been renamed to the NBP or NSP will be nominated for the In-Season Allocation (8 months) carding cycle for the AAP; and
- 3.2.3. carded at the SR level and having been named to the 2017/18 World Cup Bobsleigh Team or 2017/18 World Cup Skeleton Team will be back-paid the Pre-Season Allocation (4 months) carding cycle for the AAP.

#### **D Carding Allocation**

- 3.2.4. Once all athletes eligible for senior cards have been nominated, the remaining carding resources will be allocated as D cards. These D cards may be allocated to eligible athletes as an 8 month allocation.

#### **Allocation of Remaining Carding Resources**

- 3.2.5. If after the allocation of the SR and D cards is completed and there are carding months remaining, these remaining carding months may be allocated to the top ranked SR carded athlete(s) and then to the D carded athletes(s) as additional months (to a maximum of 12 months carding). Example: if 6 carding months are remaining the top

SR carded athlete will get 4 months (for a total of 12 months) and the second will get 2 months (for a total of 10 months).

### **3.3. Carding Allocation Priority**

3.3.1. Carding will be allocated within each card level (SR1 / SR2 / SR / D) based on the athletes' ranking within the SENIOR (SR1 / SR2 / SR) CARDS' RELATIVE RANKING SYSTEM (section 7.1) and DEVELOPMENT (D) CARDS' RELATIVE RANKING SYSTEM (section 7.2).

3.3.2. Eligible athletes will be nominated for the AAP in the following priority order:

- 1<sup>st</sup>: Athletes eligible for SR1 cards,
- 2<sup>nd</sup>: Athletes eligible for SR2 cards;
- 3<sup>rd</sup>: Athletes eligible for SR cards;
- 4<sup>th</sup>: Athletes eligible for SR-inj cards;
- 5<sup>th</sup>: Athletes eligible for D cards; and
- 6<sup>th</sup>: Athletes eligible for D-inj cards.

## **4. CARDING QUALIFICATION PERIOD**

Selection for nominations for the 2017-18 carding cycle will occur at competitions that take place from July 1<sup>st</sup>, 2016 to June 30<sup>th</sup>, 2017 and through the athletes respective 2017-18 Selection Process (NBP & NSP) scheduled from May 1<sup>st</sup> to November 30<sup>th</sup>, 2017.

## **5. CARDING WITHDRAWAL / SUSPENSION**

Carded athletes who chose to retire during the carding cycle, will be recommend for withdrawal of their carding status upon submission of their Notice of Retirement, as per Sport Canada's AAP Policies & Procedures – Section 10 "Voluntary Withdrawal from the AAP". Those athletes in contravention of the BCS Athlete Agreement or who have failed to meet training / participation expectations of the program, may be subject to review for carding withdrawal as per Sport Canada's AAP Policies & Procedures – Section 11; "Withdrawal of Carded Status".

## **6. APPEAL PROCESS**

Appeals of BCS's AAP nomination/re-nomination decision or of a BCS's recommendation to withdraw carding may be pursued only through the BCS's review process, which includes an application to the Sport Dispute Resolution Centre of Canada (SDRCC). Appeals of AAP Decision made under Section 6 ([Application for and Approval of Cards](#)) or Section 11 ([Withdrawal of Carding Status](#)) may be pursued through Section 13 of the AAP Policies, Procedures and Guidelines.

## 7. RELATIVE RANKING SYSTEM

### 7.1. SENIOR (SR1 / SR2 / SR / C1) CARDS' RELATIVE RANKING SYSTEM

The Relative Ranking System for athletes eligible for Senior carding is based on the athlete's results in respective races, ranked according to their finish in the respective competitive field (rank divided by number of entries). For the 2017-18 nominations the events to be considered will be the 2017 World Championships (WCH) and the 2016-17 Overall IBSF Ranking. The athletes with the lowest total score will rank highest.

The competitive field for the WCH is considered to be the total number of teams (NBP) or athletes (NSP) who participated in the race. The competitive field for the Overall IBSF ranking is the total number of teams who appear on the IBSF ranking summary.

Example of SR1 / SR2 / SR / C1 CARD Calculation
