Where a selection decision may be made using discretion pursuant to these BCS NBP INP, it shall be made in accordance with **clause 7**.

6.2.1. Bobsleigh Pilot Nomination

Bobsleigh Pilots shall be nominated as follows:

On **January 19, 2026**, following the NBP-QP, the HPD will nominate eligible athletes (Pilots, bobsleigh crew and Alternate Athletes) to the SC in the following priority order until all available quota places have been filled. Quota spots are assigned to the NOC, *not to individual athletes*.

Pilots who meet the **A Standard** will be nominated first, followed by those who meet the **B Standard**. the HPC shall use discretion to break the tie in accordance with these BCS NBP INP.

Throughout the NBP-QP, nomination process and while a member of the COT, athletes are required to maintain Competitive Readiness and to immediately report any injury, illness, or change in training that could affect their ability to compete at their highest level at the 2026 OWG. Notification detailing such injury, illness or change in training must be sent in writing to the HPD without delay.

"Competitive Readiness" is defined as: being at or returning to the level of performance that justified the athlete's selection to the COT under Section 6.2.

All athletes who are eligible for selection may, at the BCS Team Physician's and/or the HPC's discretion, have their health status assessed by the BCS Team Physician or designate. Injured, ill or athletes determined not to be Competitive Ready may, at the HPD's sole discretion, be subject to a proof of fitness and/or Competitive Readiness test to be determined by the HPD in consultation with HPC. This test will consist of a controlled performance such as a competition or observed test with a predetermined expected outcome. These athletes will not travel with the team until this requirement has been satisfied.

8.2. Injury, Illness & Not Competitive Ready AFTER Nomination to the SC

In the event that an athlete is determined to be injured, ill or not Competitive Ready after the athlete's nomination is ratified by the SC, but prior to the athlete's nomination being accepted by the COC for selection to the COT for the 2026 OWG, the SC shall make itself available to reconsider the nomination(s) in light of the injury or illness.

12. CHANGES to these BCS NBP INP
